Decision Time

- Western Gate reiterates that, in its opinion, the price (0,67€ p/ share) at which Letterone hopes to complete the Voluntary Tender Offer (the “Offer”) does not reflect the value of DIA
- The management board has issued its fairness opinion on 9 April in which it agreed with Letterone’s Offer of 0,67€. Although we acknowledge the work developed to support their opinion, it is our understanding that 0,67€ does not reflect the value of DIA
- If shareholders support the Offer and sell their shares, they will only receive 0,67€. However, it is our belief that if they do not sell, then they will be able to participate in the upside subject to the settlement of DIA’s financial situation
- Western Gate continues to stand by its decision not to accept the Offer and not to sell its shares in the current Offer
- The following slide shows the potential scenarios and alternatives for DIA’s shareholders
